Dear Parents/Carers

Onsite School Car Parking

As we start a new school year, we would like to remind our parent community that the school car park is not available for use at the start or end of the school day.

Due to the restricted space within the car park, limited vehicle access, the absence of a suitable turning area and the volume of children and families moving around the site during drop-off and collection times, allowing parent vehicles onto the premises presents a significant safety risk. For these reasons, the car park must remain closed to parents and carers except in exceptional circumstances.

If you believe there is an extenuating reason why access to the car park is required, you should submit your request in writing (via the office email) to the Operations Manager for consideration. Any permits granted will be at the discretion of the Headteacher and will only be issued in exceptional circumstances.

We appreciate your understanding and co-operation in helping us maintain a safe environment for all members of our school community.

Kind regards

A handwritten signature in black ink that reads "R. Rusling".

Rachel Rusling
Headteacher
