Packaging

Key question: How do I make a gift-box from a template?

Year 3

Autumn 2

Key Knowledge

To know that:

Packaging needs to be created and designed for its purpose (size, shape, material, decoration)

Tabs are used to make joins more robust.

Scoring makes folding cardboard easier and more accurate

Different components contribute to making packaging purposeful (e.g. material and joining techniques)

A fold should be firmly made so that it is remembered by the paper.

Decoration is included to appeal to the consumer.

Lines need to be cut accurately.
