"Whatever you do, work at it with all your heart"

Colossians 3:23

# Outdoor Adventure Activities

**Year 5 - Autumn 1 & 2**

***Key Knowledge:***

***To know that:***

Þ Always keep the map orientated and move my body around the map instead of turning the map.

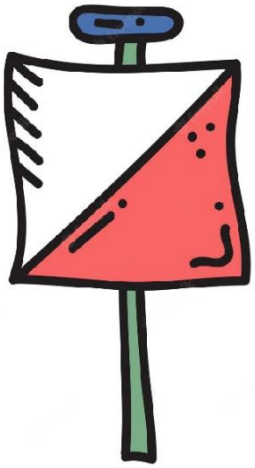

Þ A small feature near the control should be identified first to help find the control quicker.

Þ It is important to reflect upon your own and everyone's ideas to make the best informed decision possible

Þ It is important to study the map carefully when multiple controls are near each other

Þ All man-made features are black on a map

Key Vocabulary:

Critically reflect - thinking in an honest way about what went well & what didn't

Anagram - letters from a word spelt in the wrong order
