"Whatever you do, work at it with all your heart"

Colossians 3:23

Singing

Year 6

Autumn 2

Key Knowledge:

To know that:

· Clear diction can improve the clarity and quality of my singing.

· To sing a harmony part, it is important to listen to the people in your section so that your part can blend in accurately.

· The same song such in a different genre can create a different effect on the listener.

· The leader/conductor is used to control the sounds produced and give direction to the group of singers.

· Dynamics can add variety to a song. (Fortissimo—very loud) Morendo (gradually fading away)
