Dear Parents/Carers

Year 4 Visit from ZooLab

As a fascinating event linked to our Habitats topic, we have arranged for ZooLab to visit us on Thursday 19 November and Wednesday 25 November. This organisation allows the children to get up close and personal with real animals while carrying out a workshop focusing on classification, habitats and food chains. The children will have the opportunity to see, touch and handle creatures if they wish, which we hope will be a truly memorable experience for them.

In order for us to be able to fund this exciting experience, it is necessary for us to request a voluntary contribution of £5.90 per child. Please pay this online as soon as possible via your child's Arbor account.

If we are not able to raise sufficient funds through voluntary contributions, it might be necessary to cancel the visit; certainly, no child would be excluded. The school's Remissions Policy invites families who are targeted free school meals to contribute an amount that they feel is affordable.

If your child has any allergies which may affect them having contact with the animals please could you email the school office.

Thank you for your support.

Yours sincerely

A Dawes & C Bush
