Dear Year 5 Parents and Carers,

Firstly, we hope that your child enjoyed the varied and engaging learning that was on offer over Autumn 1 in Year 5. Unbelievably, we are already fully ensconced in our Autumn 2 curriculum and heading towards Christmas!! Please find attached, all the information you need to know about this: apologies for the slight delay in sending this out - we can thank all the germs flying about at the moment for that.

Included, you will see a half-termly overview, showing a brief outline of the learning that your child will encounter across all subjects. In addition, for each subject, there is a detailed Knowledge Organiser which lays out Key 3 Knowledge (in bold red), Other Knowledge (in black) and Key Vocabulary (in purple). Our Key 3 Knowledge is, as the name suggests, the most important learning for the topic; this is revisited many times across the half term and it is hoped, will be committed to memory for use in future learning. Our Key Vocabulary and their definitions are those words and phrases used by teachers in lessons and, in time, we aim for the children to be using them confidently too. Armed with all this information, we hope that you will be in a better position to support your child with their learning.

All of these documents are also available on our school website: Baden-Powell & St. Peter's CE Junior School - Curriculum

If you have any questions or suggestions regarding our Year 5 Autumn 2 curriculum, please contact the school office in the first instance: BPSP.office@coastalpartnership.co.uk. - we are always happy to receive feedback.
