VERANDA

**“Pupils behave exceptionally well at the school. They follow the ‘BPSP way’ and consider how their actions impact on others.”**  
Ofsted, February 2025

I like Baden-Powell and St. Peter's (a.k.a "BPSP") because.....

✓ Medical care when we need it

✓ Play carefully and not hurt or upset anyone else

✓ To tell an adult when we are hurt

**“Parents are proud that their children attend such a welcoming, inclusive school.”**

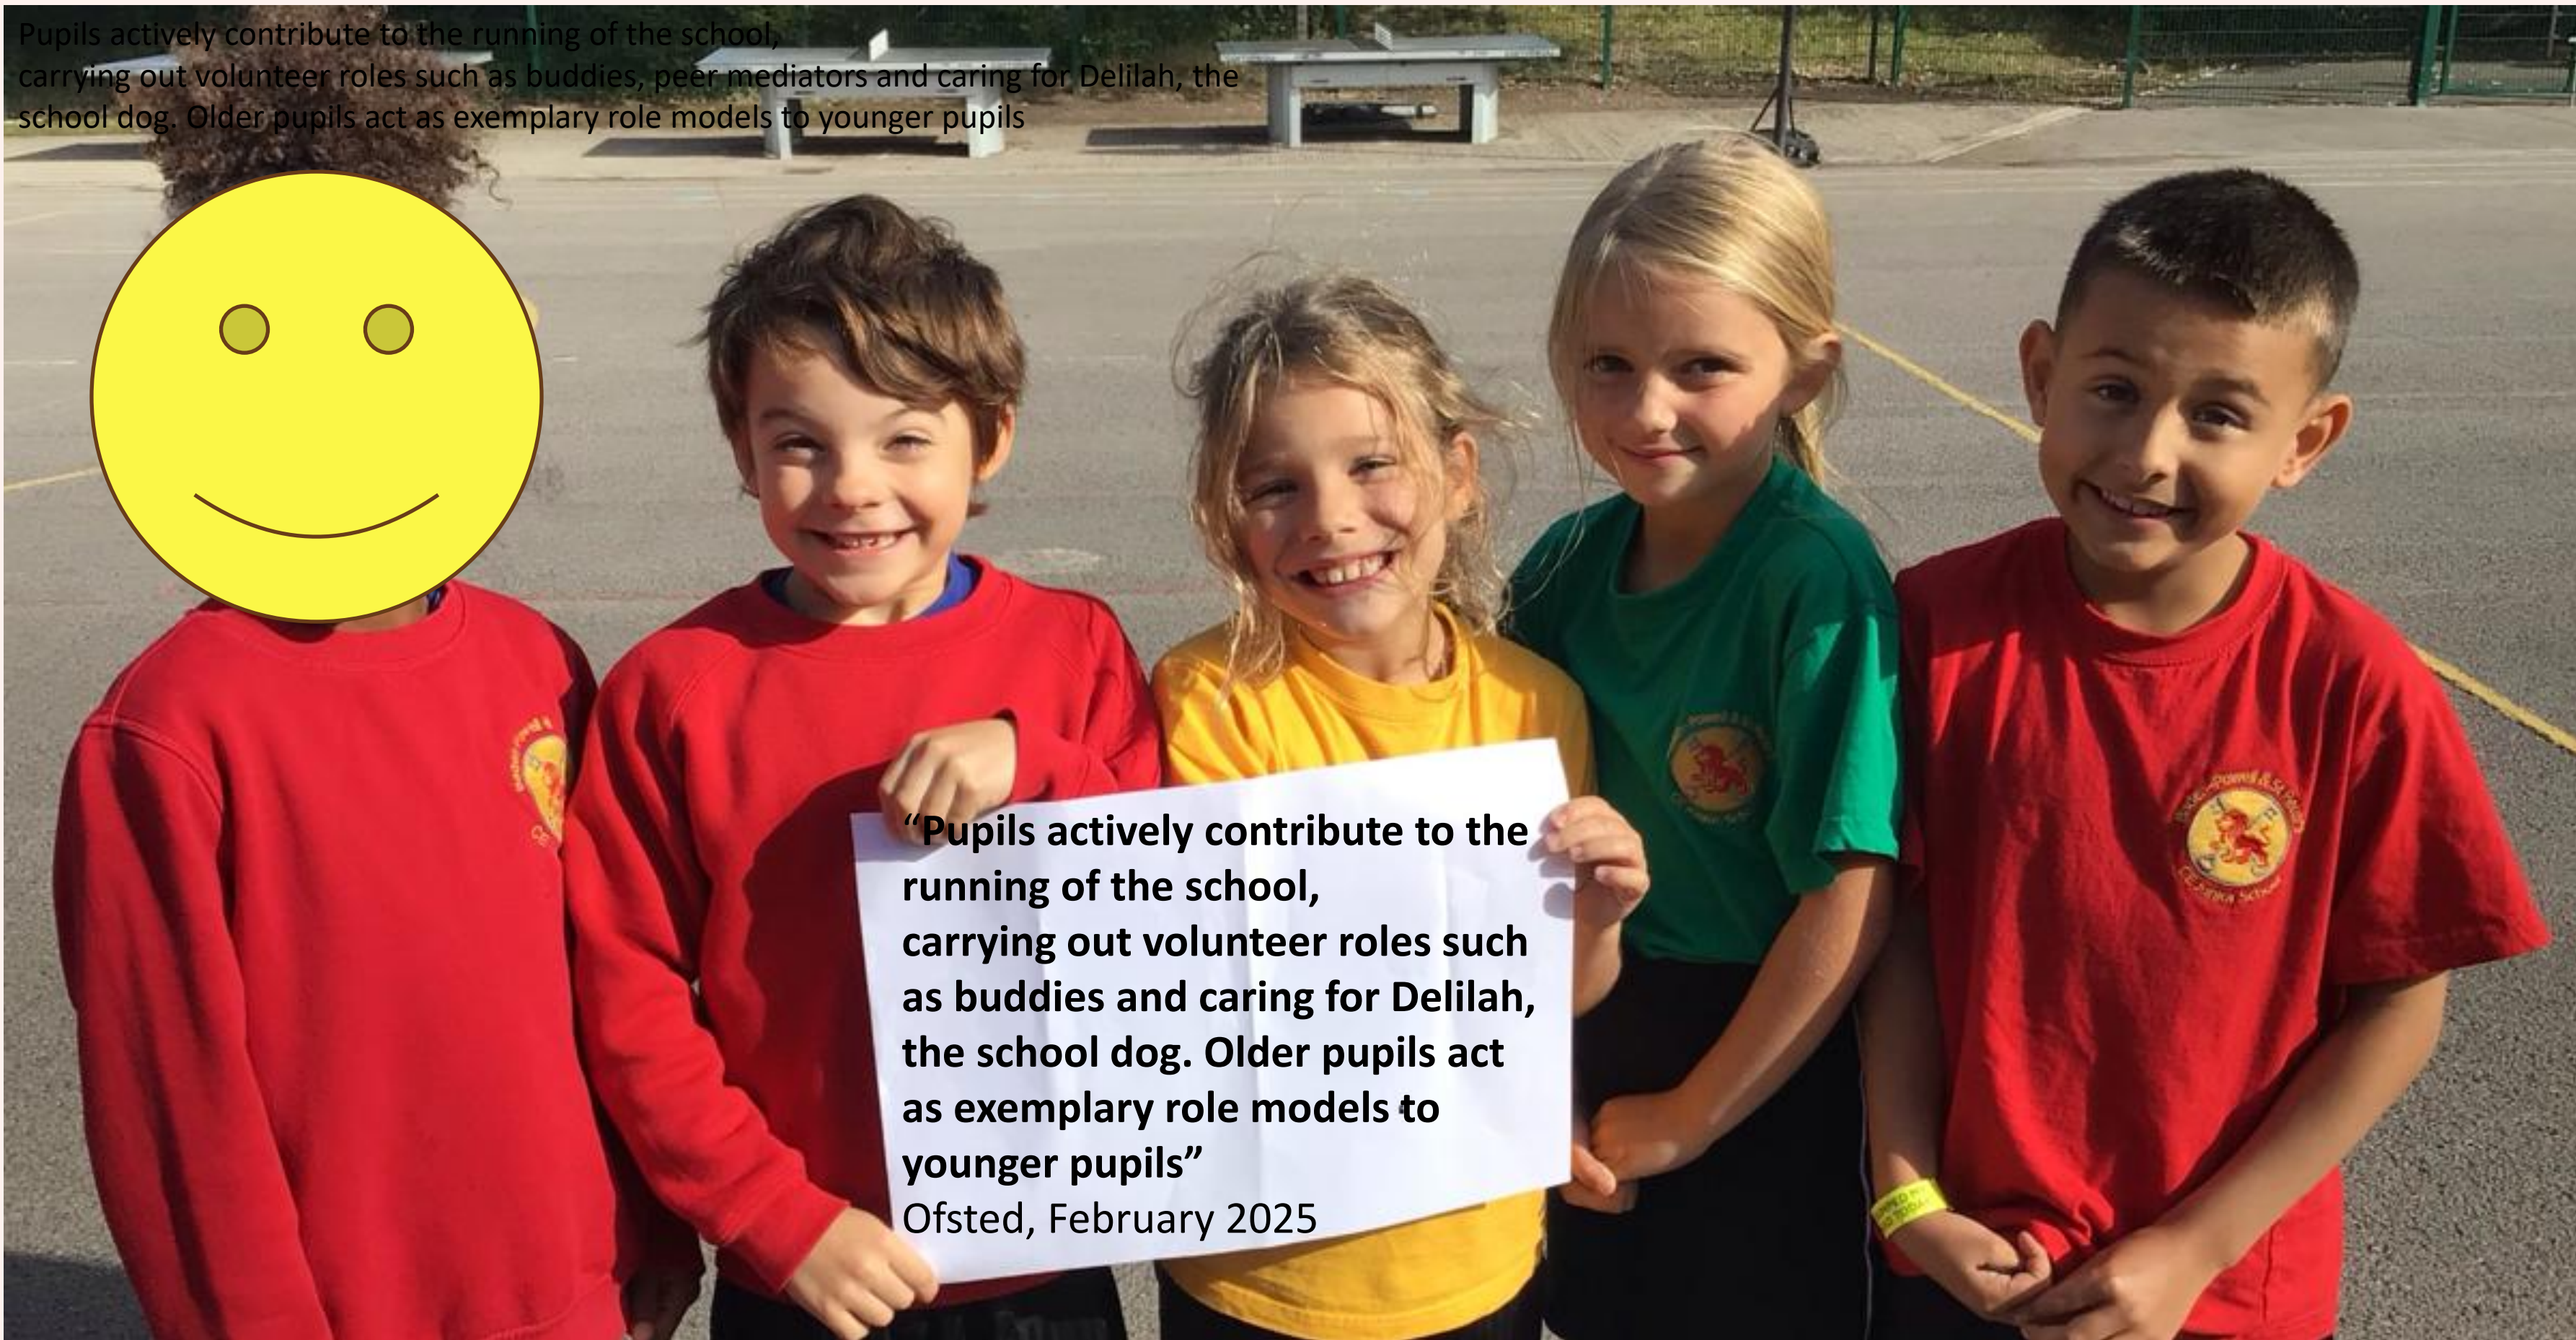

Ofsted, February 2025

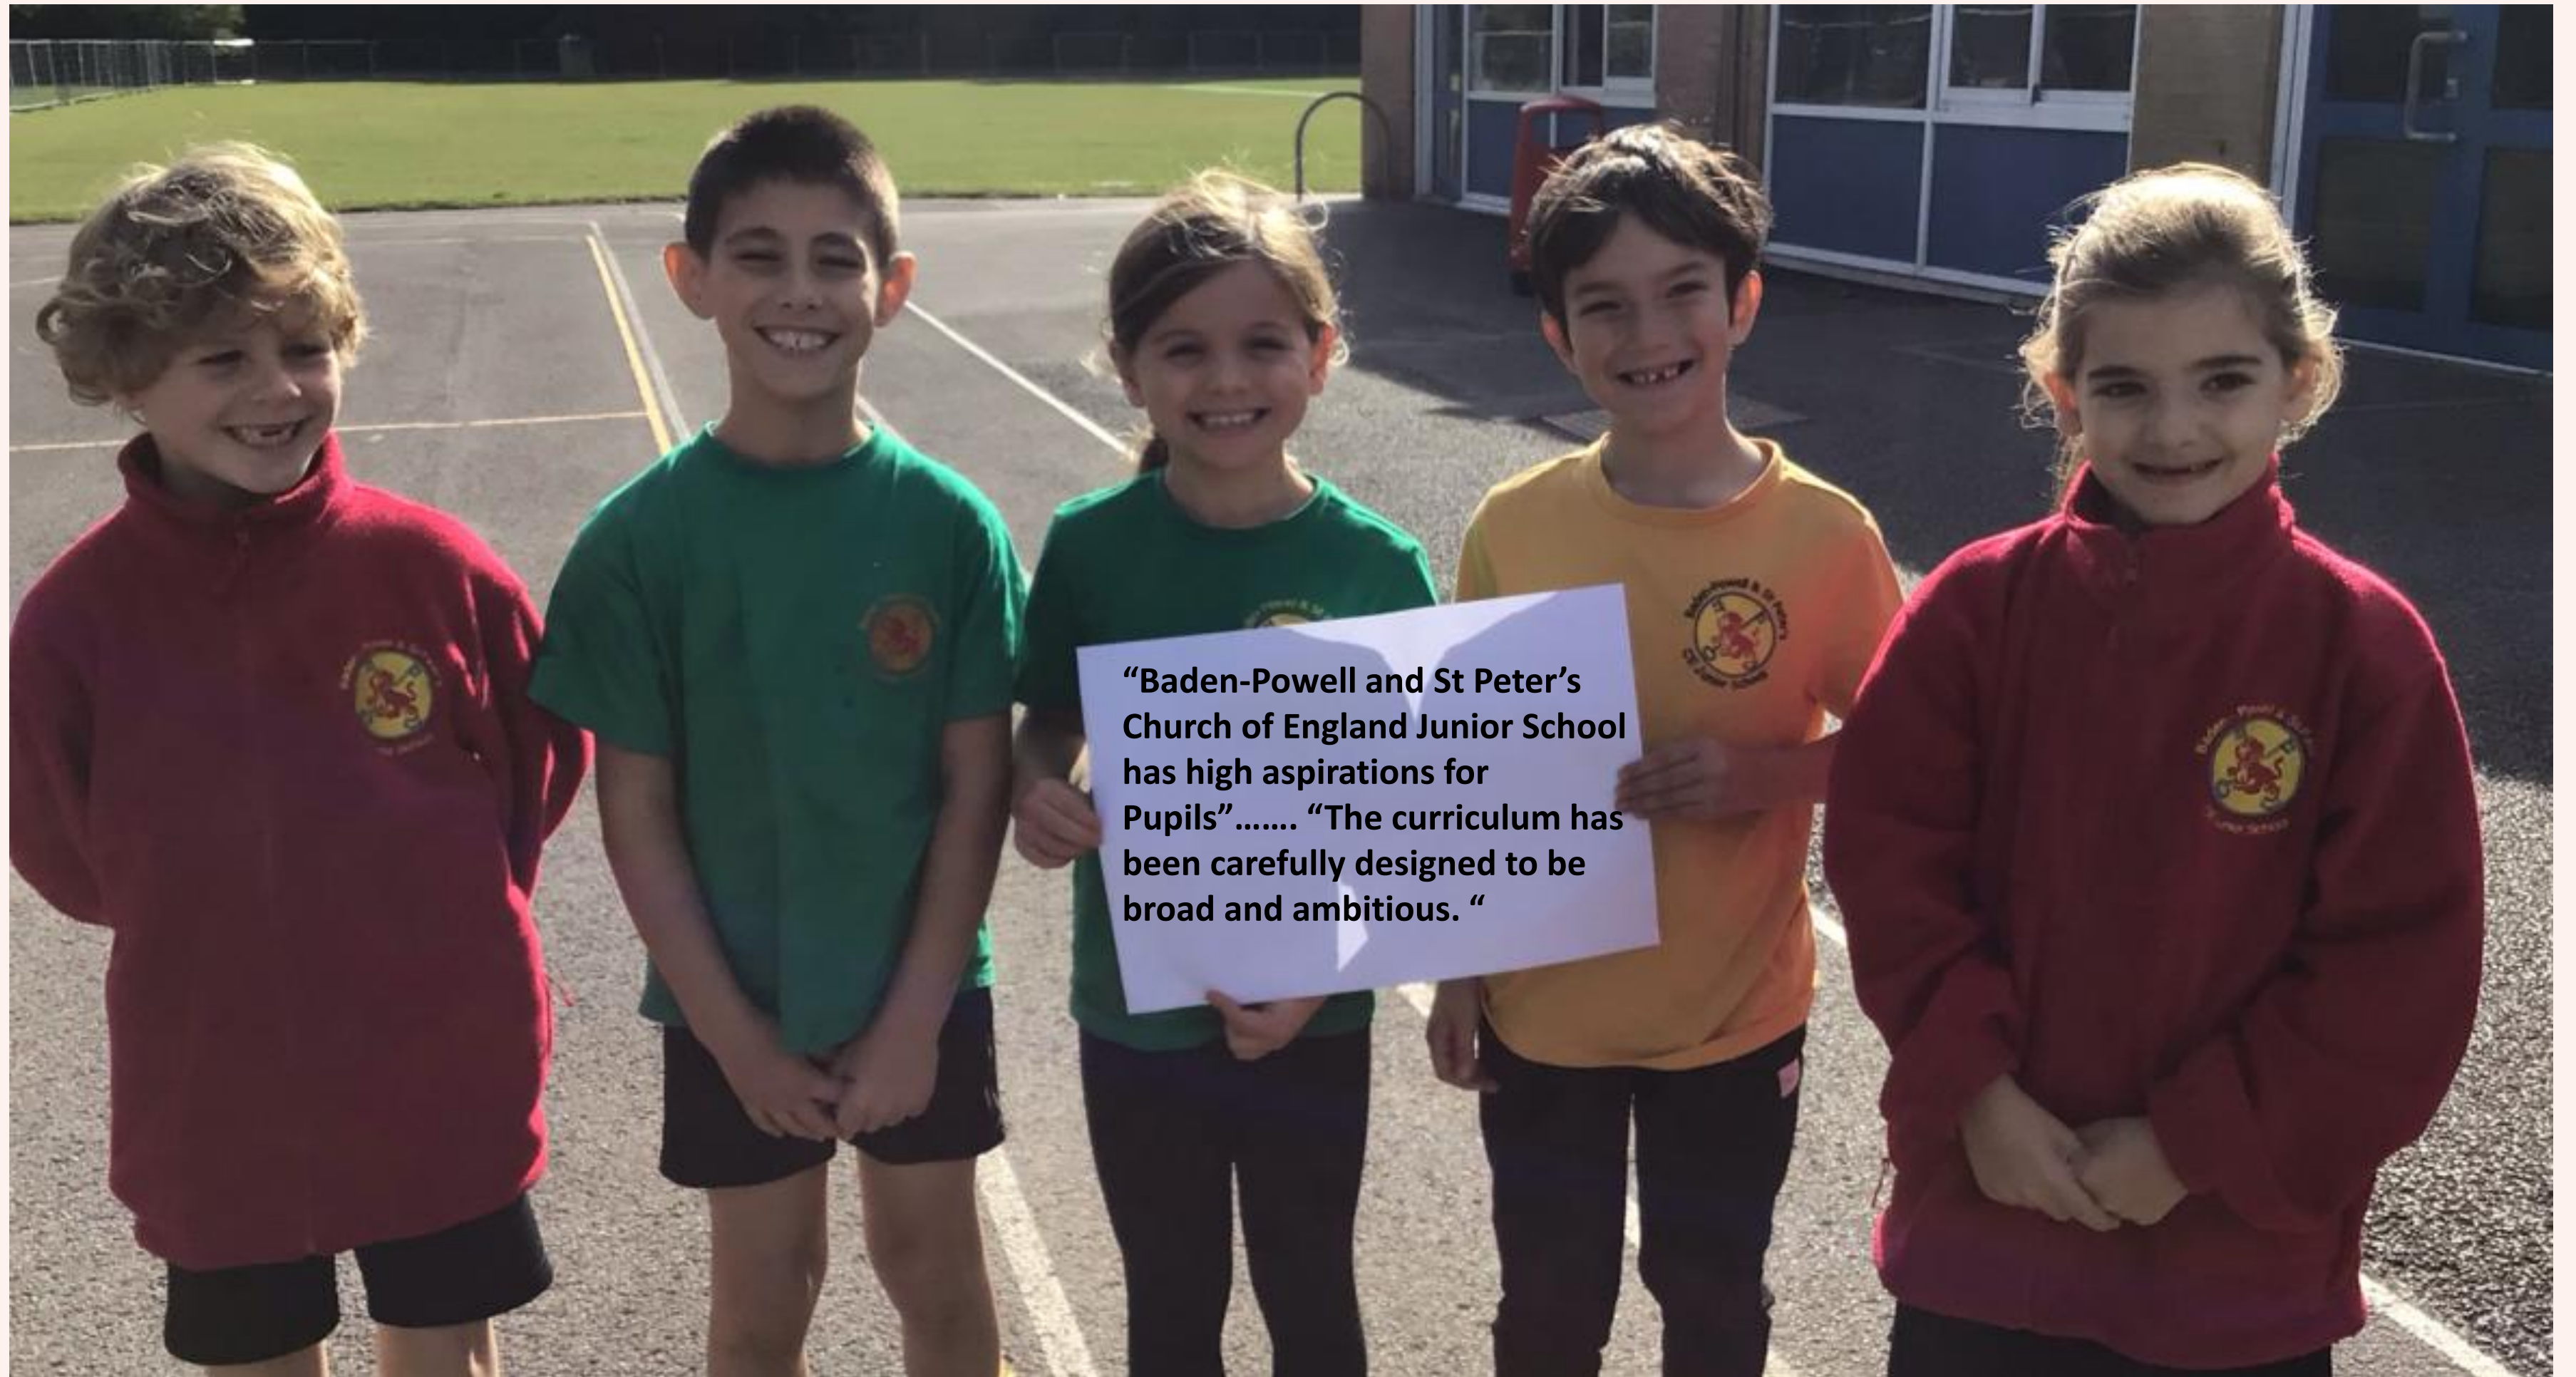

Pupils actively contribute to the running of the school, carrying out volunteer roles such as buddies, peer mediators and caring for Delilah, the school dog. Older pupils act as exemplary role models to younger pupils

# LARGE!!

*“Somehow, despite being a large school, BPSP has a **nurturing feel.**”*

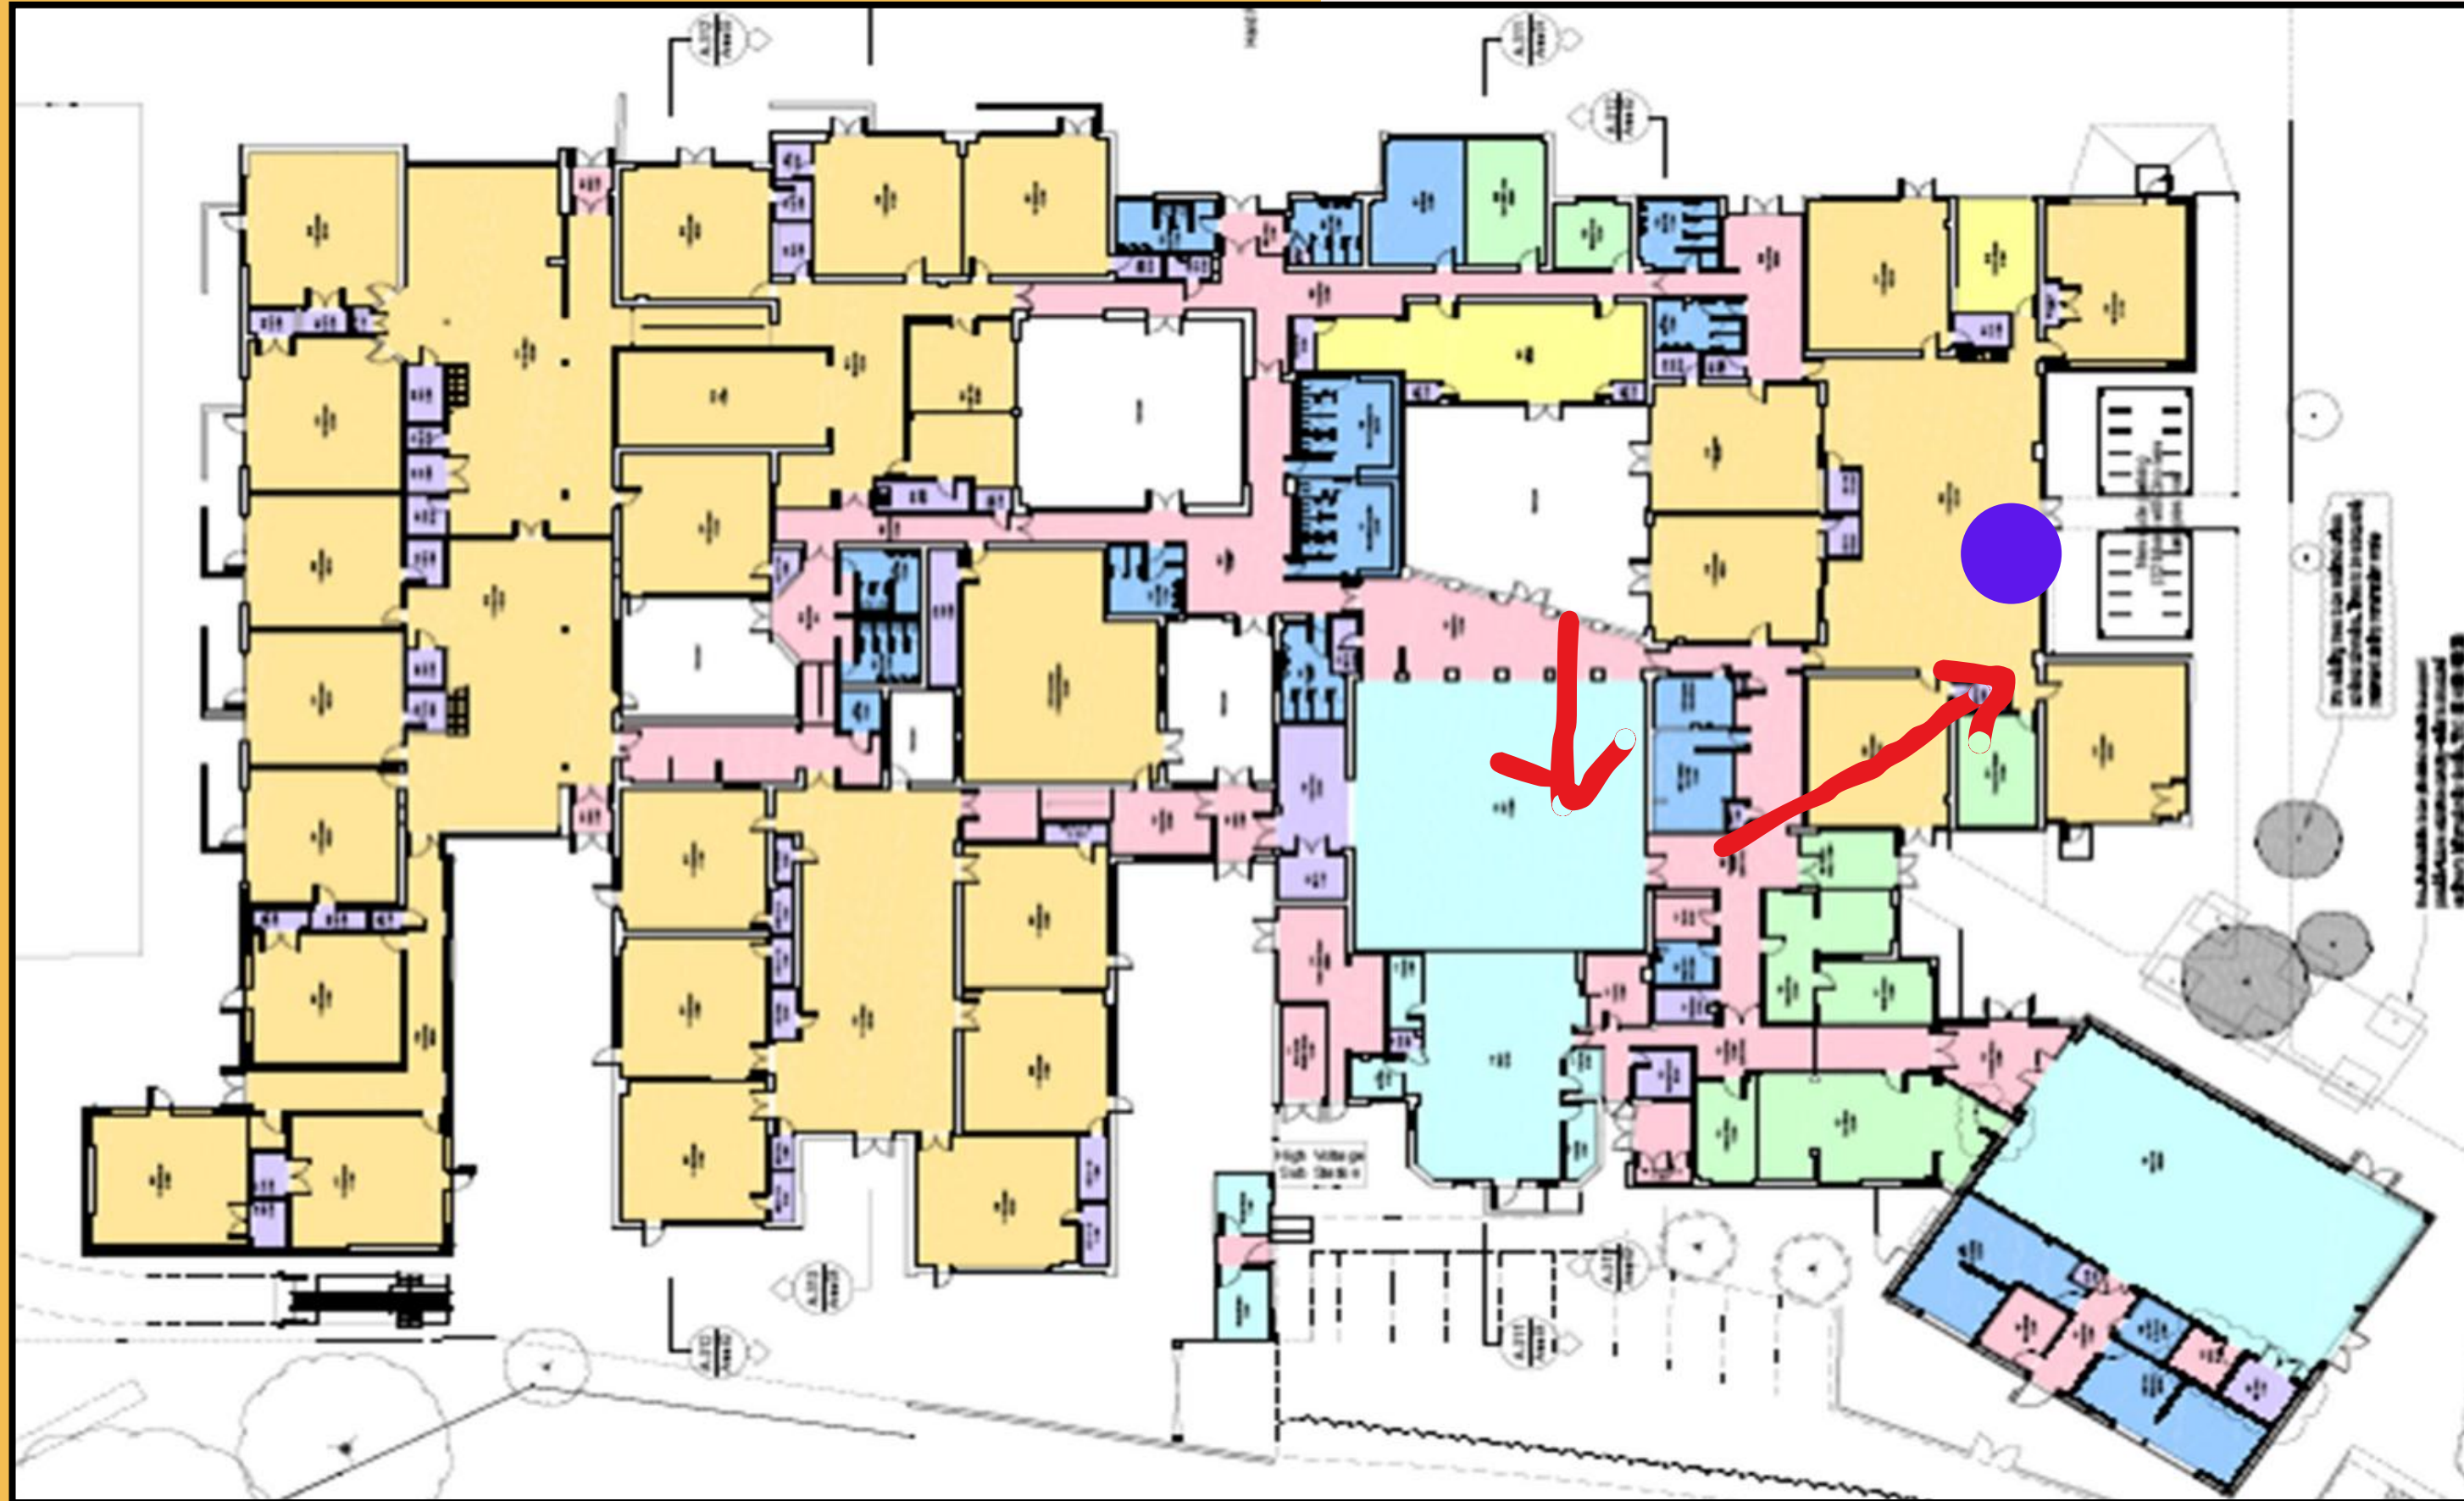

*Parent Questionnaire 2023*

*I wouldn't hesitate to recommend the school. The **teachers are enthusiastic** and take a **genuine interest in how the children are doing** as well as what they are like as little people. I really like the **SLT presence around the school** and at the entrances at drop off and pick up.”*
