Dear Parents and Carers

Welcome to Baden-Powell and St. Peter's CE Junior School

We have been notified by the Local Authority that you have been offered a place in our school for your child next academic year. It is my great pleasure to welcome you to our school community. Baden-Powell and St Peter's is a vibrant, positive and lively school with high standards and I am certain that your child will enjoy the next phase of their education at our school.

I hope that you were able to visit the school during our open morning event last Autumn. Additionally, the website provides an excellent 'window' into life at our school.

We are working hard to ensure a smooth, positive and secure transfer process for your child. In the coming weeks, all important information about the children will be transferred to us so that we can provide the support that your child requires from the outset.

This transfer process this year includes the following events:

- Infant schools provide Baden-Powell and St Peter's with recommended class groups;
- Key staff from Baden-Powell and St Peter's, including SENCo and Head of Year visit Infant schools;
- Additional visits to our school for children with particular needs or vulnerabilities;
- Induction Evening for parents of new Year 3 children on Thursday 19 June (6-7 pm);
- Y3 teachers visit the children before Transfer Day;
- Transfer Day for current Year 2 children to spend the day as Year 3 at BPSP on Friday 27 June;
- Year 2 teachers send us your child's most recent teacher assessment judgements.

Please note that the induction evening will be aimed at parents; we therefore request that if possible, you avoid bringing children to avoid pressure on space. This is when you will find out your child's new class and have a chance to meet their new teacher. There will be very limited parking in the school so please either walk or be prepared to park in a road nearby. We will run through the arrangements for Transfer Day as well as further details about the school and its day to day operation at the Induction Evening.

You will also find enclosed an additional letter from Mr Howieson, CEO of Coastal Learning Partnership. I do encourage you to explore our website at your convenience, in particular the 'New to Our School' drop down menu, which is located in the 'About Us' section of the school website.

We look forward to welcoming you and your child to our school community.

Kind regards

A handwritten signature in black ink that reads 'R. Rusling'.
