Deputy Headteacher: Miss Amanda Knowles

15 September 2025

Dear Year 4 parent and carer

In our capacity as Maths lead and Assistant Maths Lead, Mr Ballance and Miss Wiseman would like to invite you to a Times Tables Workshop on Wednesday 1 October, from 3.30pm until 4.15pm.

We will split into two groups, with the sessions taking place in 3HB and 3KL.

Miss Wiseman will focus on how to get the most out of the TT Rock Star programme and other online resources (which we would like the children to engage with as much as possible at home) and give you an insight into the MTC (Multiplication Tables Check) that the Government introduced for children in Year Four a few years ago.

Mr Ballance will share some ideas on how to help your child learn their tables using other techniques and resources.

We will each talk for about 20 minutes and then swap so that everyone gets to 'enjoy' both presentations.

Swift times tables recall, in one guise or another, is crucial to success in the Year 6 SAT Arithmetic tests. If we can get it right in Year 4, the children will be at a huge advantage later on in their Maths careers.

We ask that parents sign up via [our online form](#) and that you attend without your children in order to allow us to open this up to as many adults as possible. If we are over-subscribed, we will offer a second date.

We look forward to seeing many of you there.

P Ballance

S Wiseman

Mr Ballance (Maths Lead / Assistant Head)

Miss Wiseman (Y3 teacher / Assistant Maths Lead)

"Whatever you do, work at it with all your heart" Colossians 3:23
