

“Whatever you do, work at it with all your heart.”

Colossians 3:23

Year 4 – Spring 1 Curriculum Overview

English— We will be writing an instruction text based on ‘How to Wash a Woolly Mammoth.’ This will be followed by some setting description work using ‘The Green Ship’ as a stimulus. We will also use this opportunity to practise lots of SPAG skills.

Maths – Please see separate overview for more detail.

Computing—Flexitree – This half term, the children will consolidate their understanding of classification, first visited in Science in the Autumn term, by using the Flexitree programme on the computers.

RE—We will be learning about the important role and symbolism of food across a variety of religions.

Reading—This half term, we read ‘How to Train Your Dragon’ and a range of non-fiction texts to practise a variety of reading skills and enhance our history work about the Anglo Saxons.

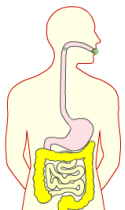

P.E. This term, we are developing our spatial awareness and passing skills whilst thinking about communication. We are also learning about alternative physical education activities. In our second PE lesson of the week, we will be keeping fit using different genres of dance and gymnastics. Our swimming lessons also continue with the next two classes attending these.

French—We will be learning the names of the body parts and revising the use of colours.

P.S.H.E—We will be investigating the ‘Valuing Difference’ unit of work, reflecting and discussing the things that make us the same as each other and what makes us different from others in our lives and our community. We’re also thinking about kindness and how it can help everyone.

Music—This term, we build on our Steel pan drumming skills and learn to fuse two different music together.

Science— We will be learning about the digestive system and our teeth, as well as the importance of a healthy lifestyle.

Art— We will be creating our very own clay monster sculptures.

History—We will be learning about life for the Anglo Saxons and subsequent events in England.
