

“Whatever you do, work at it with all your heart.”

Colossians 3:23

Year 6 – Spring 2

Curriculum Overview

English – The first unit will be a persuasive travel brochure on a fictional island. Then, we will be using the island to write a formal letter of complaint and finishing the half term with an online review.

French – In our weekly lesson, we are increasing our knowledge of vocabulary and start to focus on ‘er’ verbs.

Reading – We have weekly lessons to develop and enhance a variety of reading skills through a wide range of quality texts. As part of our school day, we have a dedicated ERIC time four times a week – this means Everyone Reads In Class.

PSHE – Following the SCARF programme, we have a weekly lesson and this half term our topic is Keeping Safe. We enjoy our STORMBREAK sessions. - a mental health well-being programme.

Geography: We move from the Galapagos across to the wonderful continent of South America.

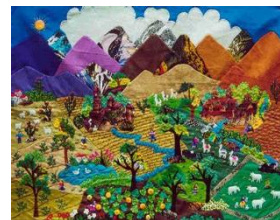

Maths – Please see separate overview for more detail.

Music – we are using our steel pan skills to play a piece from South America. Our focus musician will be Santana. As well as building on existing skills, we will look at how to improvise using notes from a specific key.

Computing – we continue to look at coding this half term by coding programmes onto small gadgets.

Physical Education – we are working at a variety of skills and sports across our two timetabled PE sessions.

Science - We explore the classification of living things by grouping them based on their specific characteristics.

Religious Education:

Through discussion we explore further aspects of Christianity, faith and meaning, focusing on the unit of Salvation.

D.T. – Our D.T. unit this half term is focused around sewing skills and we will be designing and creating a fabric case that can be used to store a range of small personal items; the choices will be stationery, glasses or small toys.
