

“Whatever you do, work at it with all your heart”

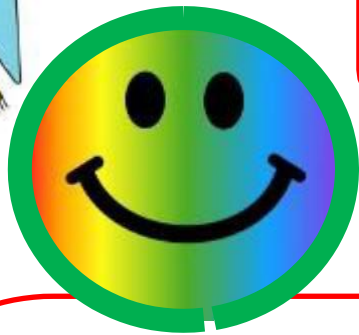

Colossians 3:23

# Rights and Respect

Year 5

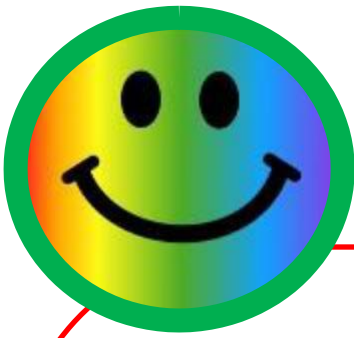

Summer 1

Key Knowledge To know that:

- It is important to express their opinions on an issue concerning health and wellbeing
- Biased reporting is when one point of view is portrayed as more important than another and so we need to think critically about things we read.
- If responsibilities are not carried out, this will impact on individuals and the wider community.
- It is important to discuss issues currently in the media concerning health and wellbeing;
- It is important to be able to make recommendations on an issue concerning health and wellbeing.
- Some examples of voluntary groups could include food banks and homeless shelters
- Responsibilities means something a person is required to do as part of a job, role, or legal obligation, Respect means understanding and taking notice of the rights, needs and wishes of other people or things and Duties means what we should or must do in order to look after something
- There are various costs involved in producing and selling an item;
- Questions a consumer should ask before buying a product can include Is it worth the money? Will you still want it in a few months' time? Can you buy it cheaper anywhere else?
- There is advice available for a range of situations involving personal finance.

## Key Vocabulary:

**Responsibility** – Something you are trusted to do and take care of.
