4 June 2026

Dear Parents and Carers of Year 4

I am always so shocked at this point how quickly time has gone and by the fact that we are in our very last half term of the current academic year - and I am sure the next few weeks will fly by.

Your child/ren will be very busy with all sorts of activities, not least with their new topics for this half term. To keep you in the loop so you can support your child/children's learning at home, I have attached the **overview for Summer 2**, outlining the topics covered in each curriculum area. In addition, you will find the **Knowledge Organisers** for each subject which give more detail about the Key 3 Knowledge (that which we would like children to know and recall by the end of the topic in bold red) and the key vocabulary which your child/ren will encounter and use when discussing and recording their learning. All of these documents are also available for your perusal on our school website: [Baden-Powell & St. Peter's CE Junior School - Curriculum](#)

As always, we welcome any feedback, suggestions or question regarding our curriculum. This can be communicated via the school office: office@BPSP.coastalpartnership.co.uk

We all really hope that your child/ren has/have enjoyed their year of learning at our school and that they are looking forward to what the new academic year will bring.

Kind regards,

Heidi

Heidi Inns
