

“Whatever you do, work at it with all your heart”

Colossians 3:23

Je Me Présente

Year 4
Summer 2

Key Knowledge:

Know that:

French accents are used to create new phonemes

'La Fête de Musique' is an important festival in France which takes place every year.

France is famous for its cuisine; vegetables and fruit are key features of this.

Accents are used only on vowels and under the letter c.

There are 5 different French accents.

France has a strong pet-friendly culture - on average each household has 2.5 pets.

Agriculture is an important industry in France; lots of French people have jobs linked to agriculture

Breakfast is the lightest meal of the day in France; lunch and dinner are much bigger meals.

La Fete de Musique takes place on 21st June because it is usually the longest day which means festivities can go on for as long as possible.

People play and listen to music outside in their neighbourhoods; free concerts are often organised.

120 countries worldwide take part in this festival.
